

PRESIDENT'S MESSAGE

Dear Members,

I am honoured to be serving as your president and look forward to working with our amazing team of board volunteers as we continue serving our members and advocating for the profession.

Our Education team has been working hard to plan a fantastic line-up of events throughout the year. The team has launched a NEW full-day virtual event, [Emerging Trends in Internal Audit Summit](#), taking place on October 24th! You'll hear from talented speakers covering hot topics in the internal audit profession. Don't miss this event! Our IIA Standards Workshop is scheduled for Sept 24th and has record registrations. It's great to see strong engagement from our members and others across the country. We will continue collaborating with other IIA Chapters and professional organizations to maximize and elevate the learning opportunities available to our membership.

We know our members also value meeting in person. In addition to Lunch and Learn Sessions, we are planning some networking events throughout the year. Be sure to visit our [website](#), join us on [LinkedIn](#), and check your inbox to stay informed of upcoming events. I also want to note that the IIA's next [International Conference](#) will be held in Toronto! Save the date: July 14-16, 2025

Our Advocacy team has put together an excellent plan for the upcoming year to promote our profession by connecting with post-secondary institutions, government officials, and other organizations across Manitoba.

Please reach out anytime if you are interested in volunteering or have any questions, suggestions, or concerns.
