President's Message

Greetings IIA OKC Chapter Members!

Thank you to the nearly 50 attendees who joined us for our in-person event on April 25th at Ted's Café Escondido. Our guest speaker, Cody Eidson, delivered an enlightening discussion on the growing role of artificial intelligence (AI) in cyber warfare, including how AI is being used to automate attacks, and develop new offensive and defensive capabilities. We also explored the potential risks and challenges associated with the adoption of AI. This was an excellent opportunity for those in attendance to become more informed about real-time issues affecting our current work environment.

I would like to remind everyone that our Spring Seminar will take place on May 7th from 8:00 a.m. – 4:30 p.m. at the Greens Country Club. We are excited to host Robert Barry, affectionately known as "That Audit Guy", who is known for his engaging and informative presentations. His talk, titled "Ask better Questions, Get Better Answers, Perform Better Audits" promises to be a valuable resource for anyone looking to fulfill significant CPE requirements and learn the latest audit techniques from a world-class expert.

As our chapter year draws to a close, I wish to express my gratitude for the support you have shown to our officers, board members, and fellow chapter members. We endeavor to provide CPE events that cater to our membership's interests and maintain a balance between in-person and online formats to ensure there is something for everyone.

Additionally, I extend my thanks to everyone who participated in our recent survey at the start of last week. Voting has concluded for the upcoming chapter year, and I am pleased to announce that all of our officers will be returning for the 2024/2025 chapter year – except for our Secretary, Tabatha Roulston. Tabatha has reached her two-year term limit and has been an exceptional asset to our chapter. While we are saddened by her departure, this opens an opportunity for those interested in becoming more involved. If you would like to be considered for the Secretary position, please contact me or any other officer soon, as we will be appointing her successor shortly.

Thank you all for your continued support of our chapter. Please do not hesitate to reach out to me with any questions, concerns, or feedback.

Best Regards,

Cory Brown
